

440NX

Cleaning is about keeping people safe, including keeping floors clean which can be a real challenge in congested and high-traffic areas.

Traditional mopping is high-cost, leaving floors wet with inconsistent results.

Mid-size scrubber dryers are restricted to larger and more open areas.

UNSTOPPABLE PERFORMANCE

70% Saving in Cleaning Costs
80% Lower Water Use

- ➲ **One-Pass** Performance
- ➲ **Agile** and Lightweight
- ➲ Easy Cleaning **Park-Up** Mode
- ➲ **80min** Runtime & **1-hour** Fast Charge
- ➲ **3-Year** Warranty
- ➲ Enhanced Sustainability, Made Using ReFlo Technology
- ➲ One Fits All Productivity, Part of **NX300 Pro Cordless Network**
- ➲ Made for the Long Haul, Delivering up to 2,500 Charge Cycles

Payback in 5 Minutes

Switching to a 440NX for just **5 minutes** a day instead of mopping makes big savings, **returning the total machine cost in 3 years.**

440NX vs Conventional mopping reduces cleaning time by 70%.

Time saving of 70% vs mopping / wage £11 per hour.
100sqm 7 days per week.

The 440 Difference

One-pass cleaning performance is achieved by applying **brush pressure, powerful drive motors** and applying just the **right amount of water in the right place**.

- ▶ Powerful Brushless Motors
- ▶ Efficient Centrifugal Water Delivery
- ▶ Controlled & Lightweight Handling for “Deep Clean”

Agile & Lightweight

Agile and **lightweight** handling easily navigates obstacles and congested areas, gliding over floors for **controlled**, **effortless** cleaning.

- “Park Up” feature allows users to **quickly park-up** to move obstacles or carry out other cleaning tasks.
- Foot-operated floor tool **eliminates** frequent **bending** for the operator.
- Engineered with **co-rotating brushes** at 140rpm, delivering **controlled** and **lightweight** handling.

Easy Cleaning
Park-Up Mode

Ergonomic & Simple to Use

Easy to Use
Simple to set up and easy to use.

Interchangeable Battery
Simply load or remove battery for charging and hot-swapping.

Agile Manoeuvrability
Tackle congested spaces.

Full Adjustable Handle
Find the perfect working position.

Easy Empty
Removable 3L recovery tank.

Simple Fill
Removable clean tank with no-spill cap.

Colour-coded Touch Points
Operator guided touch points.

Hours Meter
Accurately track usage time.

Foot-operated Floor Tool
Lower floor tool with no bending.

Foot-operated Brush Deck
Simple and easy to engage brush deck.

Smart Water Use
Centrifugal Water System ensures precise distribution across the brush or pad.

Nu-Assist
Support at your fingertips.

Adjustable Water Flow
Easily adjust water flow to suit your cleaning.

FLEXCORE

Technology

- Flexible Handling System
- 25% Lighter Handling
- Lower Maintenance
- Reduce Operator Strain

Introducing FlexCore Technology, replacing traditional pivot mechanisms. A high-strength flexible core, supported by a multi-layered, robust outer sheath, delivering optimum torque transfer when in use. This design eliminates bearings and dirt traps, reducing maintenance and extending longevity beyond conventional joints.

Smart & Sustainable

The 440NX **optimises** the use of **clean water** by using a **direct feed** to the **centre of the brushes**.

The **Centrifugal delivery of the water** through the brushes minimises overall water usage, **increasing efficiency** by reducing the time-consuming refills required.

Compared to traditional mopping, the **440NX** saves over 80% of water waste.

Using once a day
SAVES 5,037 litres
of water every year

Saving this amount of water **reduces chemical usage by 80%**, offering an even more **sustainable** and **cost-effective** cleaning solution.

Based on replacing 16L mopping system with 440NX, cleaning 7 days per week.

Sustainability

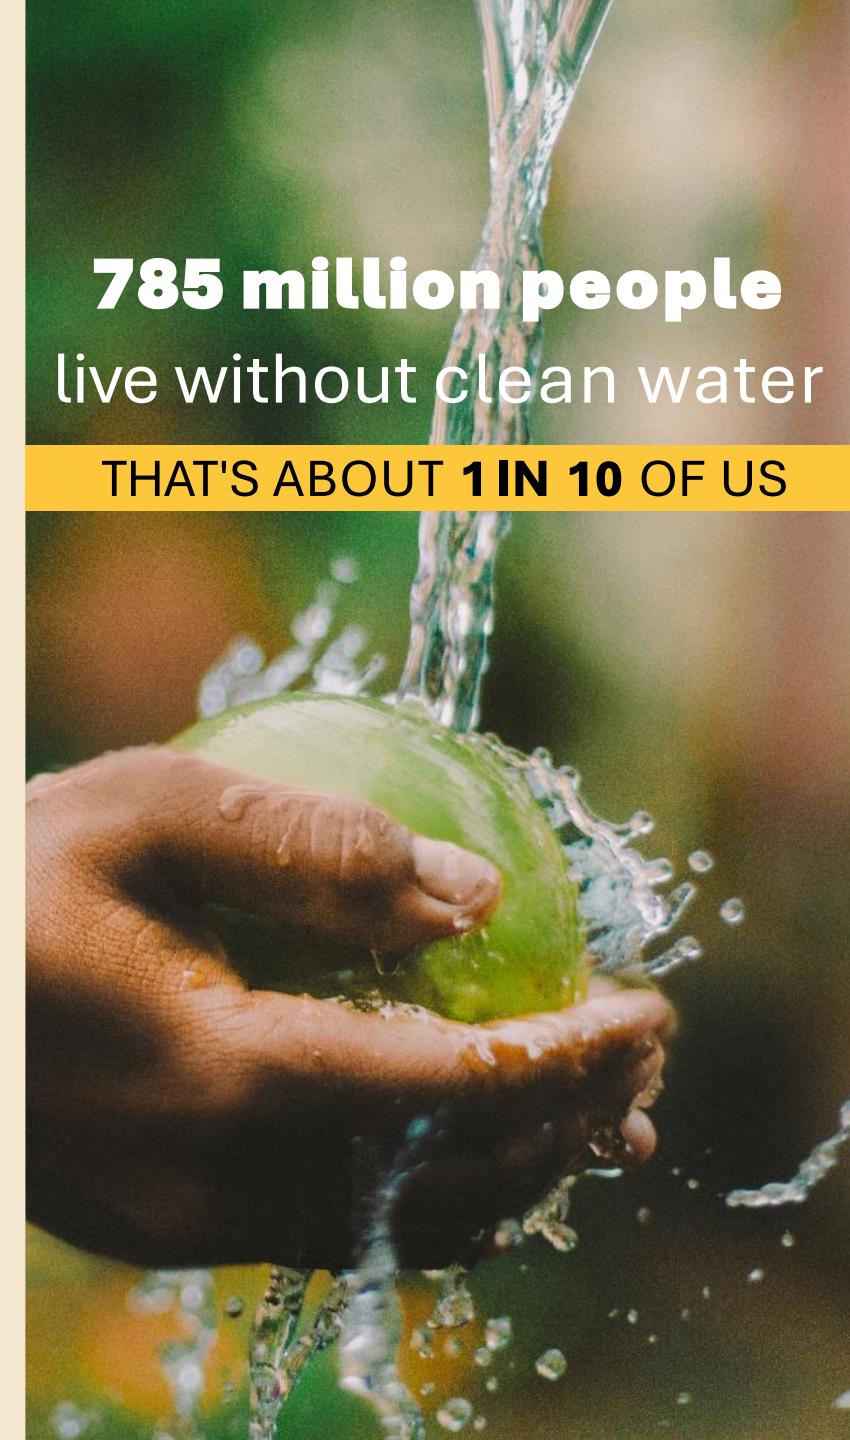

WORKING IN PARTNERSHIP WITH  charity: water

We believe no person should be without clean, safe, running water.

We've partnered with charity: water to provide water to communities and projects that need it the most.

Through every purchase of a NuClean Compact Scrubber, we donate the equivalent of 5000L of water.

**Since 2021, we have donated over,
100 Million** 
**Litres of Water to Projects
Around the World.**

785 million people
live without clean water
THAT'S ABOUT **1 IN 10** OF US

20%
RECYCLED
PLASTIC CONTENT

Enhanced Sustainability

The 440NX is made using a **minimum of 20% recycled plastic** content, including accessories.

Leading sustainability with the use of recycled plastics, reduced water use and energy consumption.

Made using our **ReFlo recycled plastic** reducing the use of **virgin plastic** wherever possible, whilst maintaining the **same quality and durability** in our products.

ReFlo Technology uses **high-quality recycled, post-industrial and post-consumer** plastics across the Numatic range.

NX300 Battery

Packed with **power**, the 30-cell design incorporates our **latest battery technology** ensuring **optimum performance** and **safety**. Truly delivering on power with **300Wh of energy**.

Smart Safe Charge System

Built-in battery status and health check safety system. The SoH (State of Health) system monitors multiple parameters ensuring battery safety.

Maximum Energy Deployment

Delivering power from cell to machine with minimum power loss via high-quality welded nickel power rails.

Integrated Heatsink Casing

Quickly and efficiently cools the pack in use, optimising delivery of power.

Integrated Cooling Design

Keeping cool allows maximum power delivery, the clever NX300 pack design eliminates air pockets acting as an insulation transmitting heat directly out of the pack.

Battery Power Indicator

Displaying the remaining charge level, helping users monitor battery status.

Integrated Handle

Quickly and easily hot swap batteries across the NX range.

Pro Cordless Network

Numatic

Power Driving Productivity

One Fits All Productivity

The convenience, safety and power of Pro Cordless, with reduced costs and lower maintenance from a single battery and charger system.

Runtime

Engineered to optimise the NX300 Battery energy storage, providing the right balance of runtime and power for each cleaning task.

Extended Long-Life Power

Made for the long haul, delivering up to 2500 charge cycles and complete peace of mind with 3-year battery warranty.

What's in the Network?

Offering a wide range of products the NX300 Pro Cordless Network includes:

- Dry Vacuums
- Wet Vacuums
- Extraction Vacuums
- RucSac Vacuums
- High-Filtration Vacuums
- Sanitisers
- Compact Scrubber Dryers
- Mid-Size Scrubber Dryers

Numatic Nu-Assist

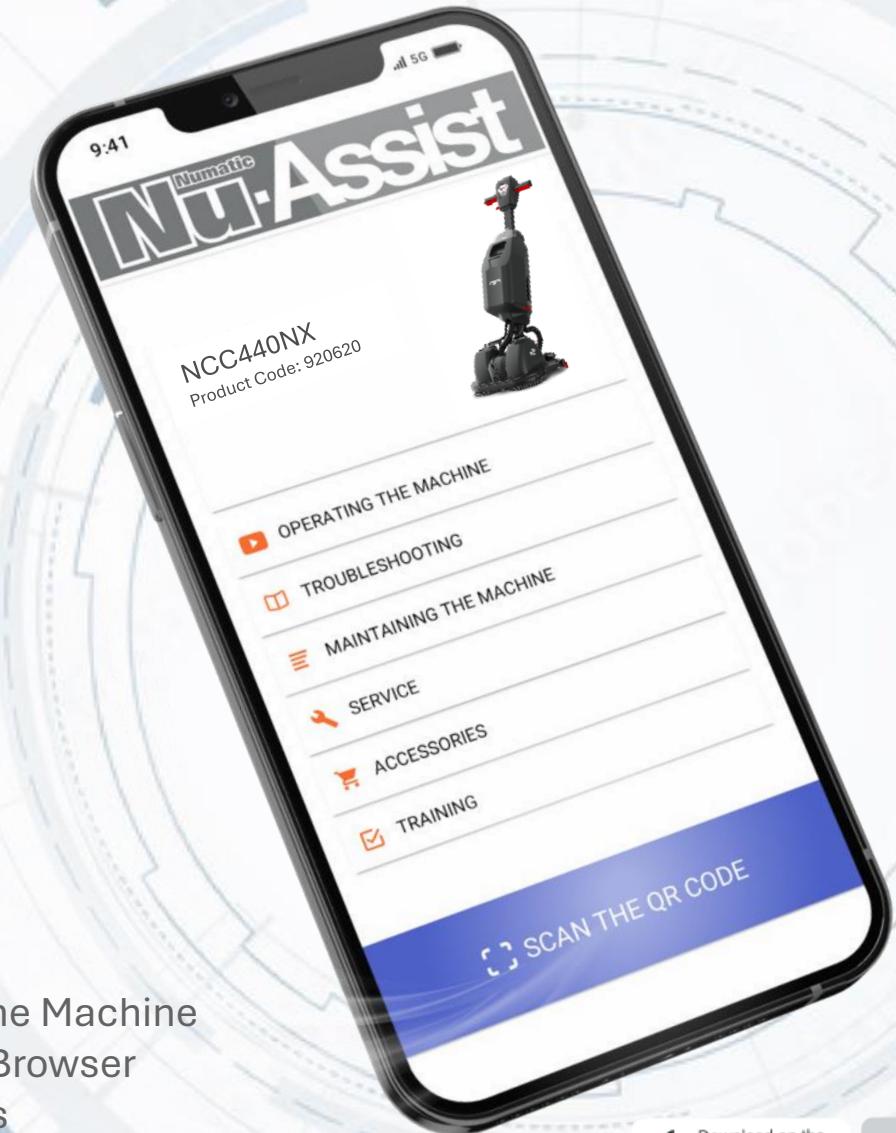

Training and Support Around the Clock

whatever the cleaning challenge.

Ten-Tec

High-Performance Brushes

Ten-Tec brushes raise the standard in scrub brush performance.

- Lasts 10x longer than a standard Numatic Polyscrub brush
- Replaces up to 100 standard Numatic red pads
- 47% improved cleaning results compared to standard Numatic brushes
- Reduces the need for chemical additives, lowering cleaning costs

Available for use across the Numatic Scrubber Dryer range.
