## Details

### Description

The BR 40/10 C scrubber drier is designed for heavy-duty cleaning of small to medium sized floors. The machine is packed with features to make it easy and safe to use and maintain, and offers exceptional cleaning results. The BR 40/10 C features two counter-rotating brushes and two rubber squeegees, ensuring floors are thoroughly cleaned and dried in a single pass. With the vacuum system turned off, the machine can be used for deep cleaning of heavily soiled floors where more scrubbing and detergent are needed.

---

### Application

Due to its flexible construction the economic scrubber dryer can be used for areas between 100 and 450 sqm for example in shops, hospitals, restaurants, hotels, crafts and in various industries.

---

### Features & Benefits

Powerful and fast

Two high-speed roller brushes with high contact pressure.

Two squeegees remove water forwards and backwards.

Floors dry very quickly.

Low reach

Easily reaches under furniture.

The push handle can folded in both directions.

---

## Accessories
