

Multiwash II™ 340/PUMP Battery

Battery powered multi-purpose floor cleaning machine that will wash, scrub and dry on both hard and soft floor coverings in a single pass.

- Ideal for cleaning during the day in schools, healthcare environments and retail where staff, patients and customers are present.
- Excellent cleaning results in just one pass
- Simple to operate and manoeuvre from site to site
- High-speed productivity
- Extremely effective on “difficult” floors including:
 - Non-slip safety floors
 - Low pile carpets
 - Escalators and travelators
 - Entrance matting
- Quiet in operation and is ideal for when customers, patients or staff are present
- No trailing cables minimising the risk of trips and slips
- 4 litre solution tank that is removable and easy to clean
- 34cm cleaning width
- Continuous battery run time of up to 50 minutes
- Choice of brushes for normal, maintenance cleaning or intensive scrubbing
- Leaves floors ready to walk on in minutes
- Quick change battery system enabling longer run times with a second battery

1. Soft floor brush
2. Hard floor brush

3. Standard floor brush
4. Escalator brush

Continuous battery run time of up to 50 minutes

Optional side brush cleans right to the wall

Optional trolley for easy transportation

Safety Floor

Tiles

Rubber Studded

Carpet

Laminate

Entrance Matting

Working Method

Cleaning liquid in the solution tank is applied to the floor by the spray pump in front.

The counter rotating brushes scrub the floor and also throw the dirty water on the conveyer drum. The front brush does most of the scrubbing and drying. The rear brush completes the scrubbing and collects the remaining water off the floor.

Technical Specification

Model Product Code		Multiwash 340/Pump Battery MW340/PUMP/B
Voltage AC (~) / Frequency	V/Hz	220-240 / 50 - 60
Battery voltage	V	24
Continuous run time	mins	50
Brush/cleaning width	cm	34
Brush speed	rpm	400
Brush pressure	g/cm ²	250
Productivity	m ² /hr	930
Solution tank capacity	litres	4
Sound pressure level	dB(A)	66
Dimensions (L x W x H with handle)	cm	37.8 x 44 x 111.4
Weight	kg	22
Warranty		1 year
