

EEM13 R

Orbital single disc machine.

Professional Cleaning Equipment

Suggested Use

Bathrooms, baths, changing rooms, stairs, hard surfaces and carpeting.

The EEM 13 R orbital single disc machine is ideal for cleaning small surfaces, niches and corners due to its compact construction and simple operation.

With its nominal weight of 12.7 kg, it is also suited for use on staircases. The eccentric transmission ensures effective cleaning and problem-free, safe maneuvering without effort or strain. The large rubber-coated wheels allow for convenient transport without leaving traces on the freshly-cleaned surface.

You can clean hard surfaces, buff stone and parquet flooring, and even shampoo carpeting with the included accessories.

Features

- Powerful eccentric transmission
- Compact construction for easy handling
- Safe maneuvering without strain
- Complete accessories for all types of flooring
