

KÄRCHER

KM 120/250 R D Classic

The KM 120/250 R D Classic is an entry-level machine in the industrial sweepers class. It is robust, low-consumption, powerful and fitted with full hydraulic diesel traction drive.

1

Robust design of the machine for safe work

- Makes possible applications in extreme external conditions.
- Leads to longer service life of components and machine.

2

Large-area pocket filter with vibration motor

- The large filter area guarantees dust-free work.
- Effective filter cleaning by means of vibrating motor.

3 Simple operation, maintenance and servicing

- Simple technology with tried-and-tested components.
- Easy access to engine compartment makes possible fast and simple servicing and maintenance.

4 Dustpan principle

- Guarantees good cleaning results also with fine waste.
- Effortless pick-up of coarse waste.
