

PROFESSIONAL SOLUTIONS
FOR YOUR SWEEPING NEEDS

EXCELLENT PRODUCTIVITY AND COMPACT DIMENSIONS

First impressions last - consequently a clean image of your business is as important as any other aspect of your activities. A clean image signals professionalism and dedication to your clients. However, keeping your manufacturing plant, warehouse or parking area clean is a daily challenge. To provide you with the best tools for meeting this challenge, Nilfisk offers the most complete machines of heavy-duty sweepers in the industry. The SR 1450 is designed to combine fast, effective cleaning of heavily soiled areas with operator comfort and safety. The result is high productivity and excellent performance. So if a clean image is important for your business, Nilfisk has the right machine for the job.

- Ideal for work in congested and tight-space areas
- Hydrostatic drive directly controlled by a single pedal
- All operations controlled hydraulically from the driver's seat
- An electric filter-shaker prevents build-up and clogging for better performance
- Robust frame withstands knocks and tough conditions been swept into the hopper
