

Exceptional productivity

This battery powered ride on burnisher provides quiet and productive coverage of large hard floor areas, such as airport terminals, shopping centres and hospitals. The extended battery run time allows an exceptional coverage - 12,500 sq.m on a single battery charge.

- 1700 rpm pad speed utilises three different pressure settings for a consistent finish every time
- Easy one button operation
- Adjustable pad pressure settings for optimal result
- Compact design for maximum manoeuvrability
- Centre placed pad system for easy and safe operation
- Machine is supplied complete with pad holder, pads should be ordered separately
